Projects

01/2025 to 03/2025	**Bhavnagar Fitness Hub** • **Technology:** PHP • **Front-end:** HTML, CSS and JavaScript. • **Database:** MySQL • **Team Size**: 1 • **Description**: Bhavanagar Fitness Hub is an online platform that provides information about a gym, its services, and facilities. It helps users explore membership options, class schedules, personal training sessions, and workout programs. The website may also include features like online bookings, fitness tips, and customer reviews. Its main goal is to attract new members, keep existing ones engaged, and make it easy for users to access gym-related services anytime, anywhere.
