PROJECTS

1. Pros and Cons of the UPI system

- Conducted a primary survey of 200 respondents to analyse the advantages and disadvantages of the Unified Payments Interface. Organized the survey data, using Microsoft Excel and applied regression analysing and chart to interpret the findings.

2. Smart City Mission: Water services in Vadodara (Group project)

- To practice coordination and teamwork, we were assigned a group project conducting primary survey on analysing the problems of citizens and institutions under Smart City Mission.
